Dear Friends,

Please join us for **Northridge Hospital Foundation's 30th Annual Golf Classic and Tennis Tournament**, Monday, May 11, 2020 at the exclusive North Ranch Country Club in Westlake Village.

As both a community-based hospital and a robust tertiary center, Northridge Hospital Medical Center is positioned to take on a unique and rapidly growing service line, ***Interventional Pulmonology***. This is a highly specialized procedural service that deals with the diagnostic and therapeutic aspects of various pulmonary diseases affecting the airways, lungs and pleural space. It is especially important in caring for patients with lung cancer who tend to have a much worse prognosis. Currently there is a tremendous unmet need for this cutting-edge service in our community.

I am excited to lead this new service line at Northridge Hospital and am asking for your support.

Your registration for golf/tennis includes a continental breakfast, reception, tee/tennis gift, greens/tennis fees, and lunch. Registered tennis players also receive a clinic with the onsite tennis professional. Our cocktail reception and buffet dinner includes our silent and live auctions, as well as our awards ceremony! If you choose not to play golf or tennis, there are other ways to support us – please consider sponsoring a contest, a tee sign, or an ad in our Program Journal.

Thank you and I look forward to seeing you on May 11th!

Sincerely,

Tao He, MD, PHD
