

## **ANNOUNCEMENT: Auxiliary Health Care Scholarships For 2018**

The Northridge Hospital Auxiliary is committed to enhancing quality health care to our patients and to supporting health care professions. We are dedicated to assisting individuals in achieving their health care career goals. Each year the Auxiliary awards scholarships to selected outstanding applicants. Please refer to Eligibility Requirements on Application Instructions.

Each applicant is required to submit personal and professional information including a statement of financial need. A current official transcript showing their scholastic record and confirmation of enrollment and acceptance in an accredited health care college or university is required. Finally, letters of reference must accompany the application.

Applications will be reviewed by the Auxiliary Scholarship Committee. Committee recommendations for the most deserving qualified recipients will be made to the Auxiliary Board of Directors and the NH Foundation for approval. All decisions are final. At an awards ceremony in May a check for \$2,000 will be presented to each selected applicant.

**All required information MUST be received by the Auxiliary not later than Friday, April 13, 2018. Incomplete applications and applications received after that date will not be considered.**

You may duplicate the attached flyer and application forms as necessary. If you need additional information you may e-mail to [Tonette.Barcellona@DignityHealth.org](mailto:Tonette.Barcellona@DignityHealth.org). Please be sure to include your name, home telephone, cell phone, email and USPS mailing address in your message. We will reply by telephone or via e-mail.

Sincerely,

NHMC Auxiliary Scholarship Committee
