

Dear Friends of Northridge:

Northridge Hospital Medical Center has been serving Los Angeles County for over 60 years.

Founded in 1955, we are a not-for-profit, acute-care community hospital serving 1.9 million residents in the San Fernando and Santa Clarita Valleys of Los Angeles County. We are dedicated to developing healthier communities with a commitment to clinical and service excellence.

We would not have been able to serve our community for the past 60 years without the loyal and generous support of our community businesses, corporate executives, philanthropists, supporters and leaders. We are requesting your help. **Steppin' Out** our **"Celebration of Hope" Annual Gala is on Saturday, October 13, 2018** at the *Four Seasons Hotel in Westlake Village, CA*. It will be a sell-out crowd of over 600 dignitaries, business leaders, healthcare workers, donors and residents of the Los Angeles community.

We are asking you to consider contributing an item(s) and/or a cash donation to go toward our live or silent auction. All proceeds from this year's event will benefit our **Intensive Care Unit** with the purchase of **life sustaining ventilator machines**.

All auction items are welcome; there is not a gift too small. We appreciate all gifts! With appreciation of your gift we will provide the following recognition: inclusion of logo on all materials where donors are listed. We will also have an 8 x 11 size poster with your logo displayed in the auction room. You will receive recognition in our annual report and on our media sites.

Would you kindly take a few moments to complete the enclosed form and return in the self-addressed envelope provided.

With your support, we can ensure another 60 years of our hospital being there in times of need for you and your loved ones.

Best Regards,

Jen Zeltser
