Northridge Hospital was the proud recipient of the Mid Valley Family YMCA's Philip "Flip" Smith Pillar of the Community award on November 15th. The YMCA recognized Northridge Hospital, The Center of Healthier Communities, and the Northridge Hospital Foundation for their outstanding work and service for the youth and families of the San Fernando Valley.

Northridge Hospital has been a leading collaborator and partner with the Mid Valley Family YMCA for the last 15 years, helping the YMCA provide little to no-cost programs that are directly impacting the largest issues that are facing families in the San Fernando Valley. We thank them for this honor.
