# IMPACT

Insights from Northridge Hospital Foundation

VOLUME 5, ISSUE 43

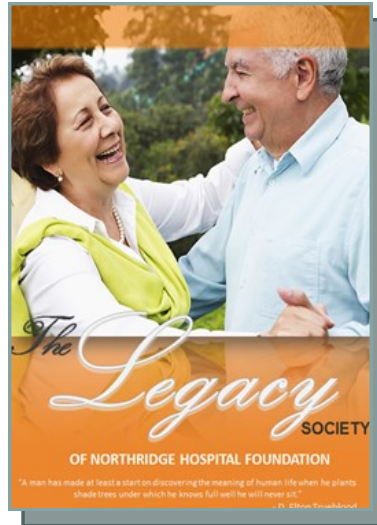

JULY 2017

## Welcome to IMPACT...

### Gratitude...

*"I thank you from the bottom of my heart as my family and I will never forget what you have done for us. May life treat you with the same warmth and tenderness."*

~Mahin,  
Grateful Patient

## Leaving a Legacy

Since 1955, Northridge Hospital Medical Center has been fortunate to receive the enduring support of special friends who, in various ways, have contributed significantly to the facilities, equipment, services, and programs of our hospital. Of particular importance to the future and sustainability of the Hospital are gifts that donors make through their wills, trusts, life insurance, and other vehicles—planned gifts through the Foundation’s Legacy Society.

The Northridge Hospital Foundation Legacy Society has been created to recognize and honor individuals who have named our Hospital in their wills or trusts, or named us as a beneficiary of deferred gifts and in so doing have made the ultimate commitment to our hospital.

It is said that in the act of giving, we receive more than we thought imaginable. One generous donor felt exactly that. He absolutely loved Northridge Hospital and would do anything for it. To demonstrate how much the Hospital truly meant to him, he arranged for a planned gift of \$32,000 through his estate plans.

By including Northridge Hospital Foundation in your estate plan, charitable gifts can enable you to enjoy tax benefits, and increase your retirement income. For questions regarding this or other ways of giving, please contact Brian Hammel at 818.885.5341 ext. 1 or visit us at <https://www.supportnorthridge.org/why-giving-matters>
