Welcome to IMPACT...

Gratitude...

“Everyone was great. The nurses and aides were wonderful. You all continue to grow and get better every time, continue what you are doing. Great job to all!”

New Chemotherapy Clinic Infusion Center Opens

Northridge Hospital Medical Center continues to be committed to expanding our state-of-the-art services in serving our community.

Part of our investment is the expansion our hematology services. We’re proud to unveil our spacious new Infusion Center.

This \$1.5 Million expansion was made possible through

Northridge Hospital Foundation's “Building for the Future – Today”

Capital Campaign. Thank you to **The Harold & Carole Pump Foundation** for their lead gift of \$1 Million as well as to our many friends, donors, and employees who supported this project. We’re pleased to enhance patient comfort with this new design.

Our spacious center includes:

- ◆ 20 infusion chairs in a comfortable setting
- ◆ Seating for family members and care partners
- ◆ Nutrition room with on-demand beverages and snacks
- ◆ Private suite for patients requiring additional care
- ◆ Convenient Cancer Center access and valet parking

Our patients were engaged in our design and planning, and upon reviewing the final product, we are excited with their support and response. Our phone lines remain the same as before the construction began – Chemotherapy Clinic Main Line: 818.700.2336 and Fax: 818.700.2337.
