**Welcome to Northridge Hospital...**

A special treat from a very special person, **Mr. Gary Sinise**, better known as **Lieutenant Dan** from the 1993 hit movie **“Forrest Gump,”** Mr. Sinise is not only remembered for his hit roles in movies such as *Forrest Gump*, *The Green Mile* and most recently, *I Still Believe*, but for his dedication to supporting military veterans.

As we continue to fight the spread of COVID-19, the **Gary Sinise Foundation** launched a dedicated campaign to address the needs and priorities of health care workers, first responders, and veterans who are impacted by the disease. Dignity Health hospitals were very fortunate to be recipients of these efforts. Since March 9<sup>th</sup>, his Foundation has donated more than 33,000 meals, their goal is to not only feed our frontline workers but to also help stimulate local economies and support local restaurants near the hospitals.

*“Freedom and security are precious gifts that we, as Americans, should never take for granted. We must do all we can to extend our hand in times of need to those who willingly sacrifice each day to provide that freedom and security. While we can never do enough to show gratitude to our nation’s defenders, we can always do a little more,”* Gary Sinise.

Northridge Hospital thanks Mr. Gary Sinise and the Foundation for the continued efforts and dedication to our hard working frontline workers. Thank you for the amazing lunch!
