August 2022

Dear Friends of Northridge Hospital:

We are excited to announce that Northridge Hospital will be returning to an “in-person” event for our **Steppin’ Out, “Celebration of Hope” Annual Gala**, scheduled for **Saturday October 29, 2022 at the Four Seasons Hotel, Westlake Village**. Each year we work hard to raise much needed funds for life-saving equipment and services for our community hospital.

We have heard wonderful things about your organization and know that you are also passionate about supporting wonderful causes that help serve our communities.

This year’s proceeds will benefit the launch of an **Extracorporeal Membrane Oxygenation (ECMO)** at our hospital. **ECMO** will help our most seriously ill patients. This **life-saving** piece of equipment will help those who **need life support after surgery**, who have **heart or lung conditions**, or who are waiting for or recovering from a heart transplant. It may also be an option when other life support measures haven’t worked. Anyone who has had experience with heart issues can understand the importance of having the necessary lifesaving equipment readily available is crucial in a hospital. This new piece of equipment will help our community hospital stand out from others, offering the most state-of-the-art technology available.

We kindly ask if you would you consider donating a package to be used in our LIVE Auction? In appreciation of your gift, we will provide recognition of your company at the event and on our social media sites.

With your support, we can ensure we do everything possible to provide many more years of service to our community in times of need, especially our most ill patients.

Best Regards,

Jen Zeltser
