

## Welcome to IMPACT...

### Gratitude...

*"The entire staff are wonderful, even on very busy days the nurses are very positive. The whole environment in the hospital was very positive and helped me during my stay."*

~Samuel, Grateful Patient

### Angie's Spa Provides Northridge Hospital Foundation \$38,000 Grant for Therapeutic Massages

Angie's Spa Cancer Foundation is a 501(c3) charitable foundation that funds FREE in-hospital therapeutic massages for men and women undergoing treatment in cancer centers throughout the United States.

Northridge Hospital Medical Center's Thomas & Dorothy Leavey Cancer Center is one of seven hospitals throughout the U.S. to receive funding from Angie's Spa Cancer Foundation.

This year, Angie's Spa has approved \$36,000 in addition to offering an incentive match of up to \$2,000 for any other direct fundraising. This means the **Thomas & Dorothy Leavey Cancer Center** will be able to provide more than 1,500 massages to patients. Thank you, Angie's Spa!

One of our Cancer Center patients says the following about the program at Northridge Hospital:

*"I cannot express how grateful I am for the massage therapists at the Thomas and Dorothy Leavey Cancer Center. They were an incredible relief many times during my treatment. I had horrible back pain and spasms that were greatly relieved when I received the massages both in the infusion room and in the radiation therapy department. I was also having issues with the bottom of my feet that caused quite a bit of pain, and the foot massage I received was a tremendous help. Unless you have been through this type of treatment I don't think you can understand the muscle pain I experienced just from trying to stand up for a few minutes. Knowing that the massage therapists were there and all I had to do was ask for their help was a huge weight off of my shoulders and my family that was taking care of me. Thank you!" -Andrew*
