"The entire staff were excellent and very good, from surgery to the floor staff. My nurse at night—wonderful! Very encouraging hospital, I did not have to wait at all, and the staff were very caring and attentive."

Harold & Carole Pump Foundation Pledges \$2 Million to Fight Cancer

The Northridge Hospital Foundation would like to thank the Harold and Carole Pump Foundation for their most recent pledge of \$2 Million to help fight cancer over the next four years. Half of that amount, \$1 Million, will fund ongoing cancer programs and services,

including free mammograms for the under- and non-insured; home health services; and transportation to and from the hospital for patients in need. And \$1 Million is a lead gift for the "Building for the Future - Today" Campaign targeted to the expansion of the Chemotherapy Infusion Center.

To date, the Harold & Carole Pump Foundation has given \$6.2 Million to the Northridge Hospital Foundation. *"Dana and David Pump continue to partner with our hospital and our community in the fight against cancer. Their willing spirit, generosity and dedication to a cause is both greatly admired and appreciated. They are leaving quite a legacy in honor of their mom and dad,"* says Brian Hammel, Northridge Hospital Foundation President.
