Gratitude...

"I see all the Hello humankindess billboards, but wasn't sure if it really happened in hospital. So, when I became a patient for about 4 days, I got to really see this moto in action.

Every single person who walked in my room showed me kindness. Everyone was so nice and helpful during my stay, thank you for making my situation a little nicer."

Angie's Spa Grants Northridge Hospital \$40,000 for Therapeutic Massages

Northridge Hospital Medical Center's Thomas & Dorothy Leavey Cancer Center is one of ten hospitals throughout the U.S. to receive funding from Angie's Spa Cancer Foundation. For the past 10 years, Angie's Spa has provided \$382,200 in grants to Northridge Hospital Medical Center (NHMC), which has funded 15,288 massages.

Angie's Spa Cancer Foundation is a 501(c)3 charitable foundation that funds FREE in-hospital therapeutic massages for men and women undergoing treatment in cancer centers throughout the United States.

Angie's Spa is closing its Foundation and will no longer be making grant contributions. However, the massage program will continue to thrive at Northridge Hospital through the efforts of the Northridge Hospital Foundation.

Thank you, Angie's Spa for the amazing support for the last 10 years! We look forward to continuing to provide massage services to our patients at the Thomas & Dorothy Leavey Cancer Center.

Below is a comment regarding the program from a Cancer Center patients at NHMC:

"Getting a massage after my treatment is amazing. It makes treatment more tolerable and gives me something to look forward to, it makes coming in for treatment not so bad. It definitely puts me in a relaxed and happy place. Thank you Angie's Spa."
