The 16th Annual Harold & Carole Pump Celebrity Golf Tournament & Dinner, held at the Beverly Hilton Hotel on Friday August 12, 2016 was once again a huge success! The mission of the Foundation is to raise funds and create awareness for the treatment and cure of cancer. By engaging the community, sports leaders and those touched by this disease, financial support is given for the development of cancer treatments, programs and services, as well as the procurement of advanced medical technology. The event brought out many A-List Hall of Fame athletes and celebrities to support this wonderful cause. Twin brothers, David and Dana Pump, once again rolled out the red carpet for their annual Foundation event.

This year's event honored Elgin Baylor, former Los Angeles Laker and NBA Rookie of the Year in 1958-59; Eric Dickerson, Pro Football Hall of Fame and NFL's 2nd all-time leading rusher; David M. Winfield, National Baseball Hall of Famer in 2001; and Jerry Haffey Sr., founder of Ambrosia Treatment Centers.
