

Hospital & Community Update

JUNE 24, 2020

Welcome to Northridge Hospital...

Hello
Humankindness

YouTube

A random act of kindness no matter how small, can make a tremendous impact on someone else's life.

Roy T. Bennett

*“Cardiopulmonary resuscitation, more commonly known as **CPR**, is a life-saving technique that helps maintain blood and air flow to the body in an emergency situation.”*

CPR training can be very crucial, especially when having young children around. It can save lives. For this reason many people find it important to be trained. **Susan & Dan Kane**, avid supporters of the American Heart Association, believe in the power of being CPR trained, and for that reason they sponsored **100 Infant CPR kits for Dignity Health—Northridge Hospital**.

Infant CPR Anytime kits contain everything you need to learn the lifesaving skills of infant CPR and infant choking relief, including a 20 minute training tutorial. The kits can also be used in hospital settings, including neonatal intensive care units (NICU's), to teach skills to new parents.

Jeannie Reyna, RN, NICU Department, at Northridge Hospital was on hand to receive the generous gift of **100 kits** for the department.

Thank you **Susan & Dan Kane** for these wonderful kits and making sure that parents have the skills needed to save a life.

Infant CPR Anytime Training Kit

Includes:

- 1 bilingual Infant CPR Anytime DVD
- 1 Mini Baby® CPR personal manikin
- 1 bilingual Infant CPR Anytime Skills Reminder Card
- 1 Mini Baby replacement lung
- Manikin wipes

Dr. Jeremy Grosser

Thank you to our very own Dr. Jeremy Grosser, member of Northridge Hospital Foundation Board of Directors, for sponsoring lunch this past Friday from Brent's Deli.

Our COVID staff and ICU departments were so happy to end their Friday with an amazing lunch that even included the famous Black & White Cookies that Brent's is so famous for!

#Hellohumankindness

Laine Caspi & Granada Hills Rotary

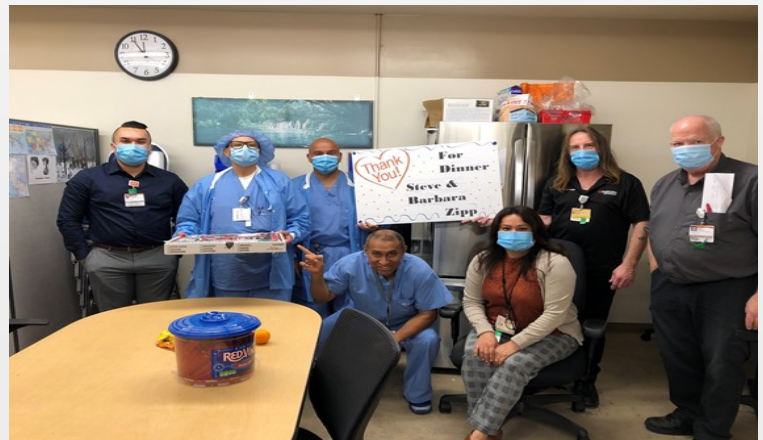

Thank you for all of the great lunch meals provided for our staff, and the all-time favorite, much needed "ear-savers" which our nurses love so much!

Steve & Barbara Zipp

Two ordinary people who just wanted to show their appreciation to the staff who are "behind the scenes," but still crucial to our hospital's ability in caring for our patients – our EVS and Maintenance departments!

The Zipp's were so moved by all the smiling faces when the staff received their lunch the last time they had pizza delivered, they decided to do it again for the 3rd time!

Thank you Steve & Barbara Zipp!
