**[ICE CREAM FOR ALL!!!](#)**

## Welcome to Northridge Hospital...

### Hospital & Community Updates:

A special thanks is extended to Foundation Board Member Sherry Lapidés and the Northridge Hospital Foundation Board of Directors for organizing a special fund to provide treats for all of our employees at Northridge Hospital. The Board, known for raising funds for particular hospital program needs, did something a little special this time, something to recognize our staff for their tireless efforts.

Our Board established a **special donation fund** that raised over \$3,000 to provide treats for all employees during this pandemic. The first treat delivered to all of our staff was ice cream bars. We look forward to organizing more treats for our employees in the coming weeks!

We are so thankful to our Board for thinking of our employees during this time.

A comment from one of our employees: *"You know we can all buy ourselves ice cream and lunches and other goodies, but it's different when someone gives it to you at work. You see it's not about the ice cream, it's about the thought behind it. I feel so appreciated when I receive these kind gestures, especially after working a 12 hour shift. I am exhausted and heading home now; this was just perfect, it makes me feel great to be working here!"*
