## Welcome to Northridge Hospital...

We are extremely proud of our Foundation Board Member, Sherry Lapides, for spearheading the creation of a special fund to provide treats for the NHMC staff. With the backing of Northridge Hospital Foundation Board of Directors approval, Sherry and the team donated money to provide a "round two" of treats for the staff. They followed up the round one ice cream bars with amazing delicious bundtini cakes on Monday.

We sincerely thank our Board of Directors for supporting this special fund. The Board, known for raising funds for particular hospital program needs, wanted to show their appreciation to the hospital's staff for their tireless efforts during this crucial time. We look forward to organizing a third round of treats for our employees in the coming weeks!

**Richard Negri & Friends**

Thank you for providing 100 meals for our staff.

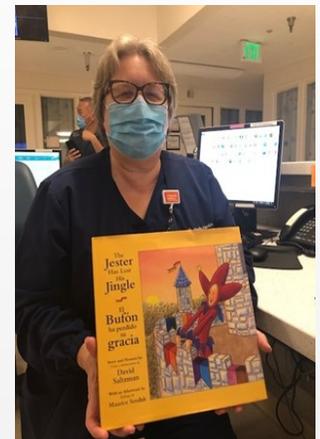

**Rabbi Meir Rivkin & Mrs. Simi Rivkin at Chabad of Granada Hills**

Knowing that there were Jewish patients hospitalized at NHMC without family support, Rabbi Rivkin has been delivering 12 Shabbat boxes to the hospital every Friday for the last six weeks. The boxes are then brought to any Jewish patient hospitalized that Friday by our Spiritual Care Chaplains. Each of the boxes contain a small loaf of Challah bread, a prayer and Torah reading, and two battery-operated candles. The patients have been very touched to receive the Shabbat boxes.

**The Jester & Pharley Phund**

Thank you for donating 10 Spanish written children books for our youngest patients at NHMC.

**David Chameides**

Thank you donating much needed face shields for our staff.

**Thank you to our wonderful community for showing your humankindness!**
