True acts of humankindness:

*Thank you for the patience you gave us every time we called, for updates and request for facetime. Thank you for praying with us. Thank you for your endless effort and dedication to care for patients like my Dad, even if it means yours and your family's safety.*

*We will forever be grateful to everyone at Northridge Hospital, especially during this time of pandemic. You are all heroes! Thank you and God bless us all! You are a blessing to so many people.*

Serranilla Family

## Welcome to Northridge Hospital...

Hello Super Heroes!

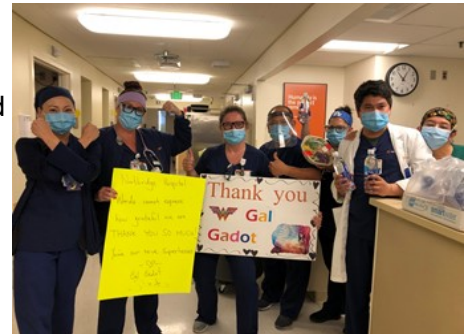

Northridge Hospital Foundation was very fortunate this week to receive a special delivery from our very own “Wonder Woman” also known as **Gal Gadot**. Gal felt very humbled by the work that Northridge Hospital staff have been providing to the community that she felt a nice lunch would be fitting!

From supermom to superhero, Gal Gadot knows first hand how important it is to care for others.

As Gal puts it “make sure to be extra kind, extra patient, and extra helpful to those that are helping us get through these times,” and this is why she has been donating to front-line workers.

Northridge Hospital has many super heroes, and we hope that the lunch provided by Wonder Woman continues to inspire us all to give it our best, every day.

*“You are stronger than you believe. You have greater powers than you know.”  
-Wonder Woman*

## Thank you to our GENEROUS Community Donors of IMPACT...

### Fueling the Fearless

**Fueling the Fearless** is an organization that focuses on providing meals to our essential workers and supporting small local businesses. This organization believes that the strongest support happens when we join forces, and Northridge Hospital is so proud to be a recipient of their good work.

Thank you for all that you do for frontline workers through Los Angeles!

### Councilmember John Lee

Northridge Hospital Medical Center has been very fortunate in receiving many donations from the office of Councilmember John Lee. Councilmember Lee has worked with various organizations in our community to provide not only PPE for our hospital, but also sweet treats for our staff. Recently he was able to connect with our local Jamba Juice to provide some amazing smoothies for our staff. Thank you to Jamba Juice & Councilmember John Lee!

**Feed Hero Nurses**

Northridge Hospital Medical Center is proud to be a recipient of meals provided by “Feed Hero Nurses.” Michael Bleau started this project that is uniquely focused on serving the overnight and weekend staff on the nursing units specifically assigned to treating Covid-19 patients, ensuring that whenever their breaks occur there will be ready-to-eat meals waiting for them. At the same time, while supporting local restaurants, Michael has set a goal of raising \$150,000, and has currently raised \$123,103 to date. It is amazing to see all the support of the community.

Thank you Michael and Feed Hero Nurses for your dedication to feeding so many deserving people!

**Soylent & City of L.A. Mayor's Office**

Thank you for providing these healthy drinks for our staff!

**MTO Shahmaghsoudi**

Thank you for providing these great snack bags filled with goodies for our staff!

**Mercado Global**

Thank you for the much needed masks!

**Rebecca Raymond**

Our very own ICU nurse, Rebecca has found it in her heart to bring cheer to her colleagues now twice! This is the 2nd time she has purchased dinner. Thank you for embodying our mission, vision & values.

**Thank you all for showing true acts of humankindess!**

A Gift to the Northridge Hospital Foundation truly makes a difference in the lives of our patients and families. To make a donation, visit [Supportnorthridge.org](https://www.supportnorthridge.org)
