**True acts of  
Humankindness...**

*Lisa Atmodjo, RN in the Rehab Department was recently flexed off due to a slow day on the unit. Lisa later surprised her colleagues with lunch.*

*Lisa, you are a star in our eyes, thank you!*

**18<sup>th</sup> Annual C·A·T·S Virtual Victory for Victims Run/Walk Raises \$111,483**

Like many others that worked all year to plan their 2020 annual fundraising walk/runs in the spring, we had to make a decision to either cancel, reschedule, or change our live event to a virtual one due to the COVID-19 pandemic. Not knowing how long the “Safer at Home” and public gathering restrictions would be in force, we decided to move our C·A·T·S Victory for Victims Run/Walk from a live event to a virtual one, keeping our April 25, 2020 date in place.

One of the main benefits of holding a virtual run was, while individuals, pets, or families walked or ran alone. They could still feel like they are taking part in a good cause with a group of others on the same day. Participants that registered for the 10K, 5K, and Kids Fun Run still received their T-Shirts and finisher medals and those that signed up for the 1-MileDog Walk received dog bandanas and finisher medals. This year the runners received a purple (color for Domestic Violence)

Special thanks to our five largest hospital-based teams 3-Farr NHMC, Foodie Bunch, Lab Rats, Wellness Committee, and Go Rehab and to all of you that sign up individually with your family members. Our largest hospital-based donors were Susan Bales and Sal Romo. Our larger community-based teams were IMT Residential, Arleta Neighborhood Council, Limerick Elementary School, and Hamer Toyota.
