

26th Annual Helping Hands “Holiday Jam”

Northridge Hospital Foundation and Dignity Health - Northridge Hospital Medical Center (NHMC), in partnership with many community partners and donors, will turn an ordinary parking lot into a child's holiday extravaganza! Each child is gifted Christmas for the day with carnival games, arts and crafts, food, a visit and photo with Santa and a bag full of gifts to take home.

For the past 25 years, the **Holiday Jam** has been a Holiday highlight for thousands of children from our local area elementary schools between the ages of 7-10. Some of these children are part of the “Title1/No Child Left Behind” program that provides financial assistance to local agencies for the education of children of low-income families. For many of these children, this will be there only Christmas.

Where: Northridge Hospital Medical Center Back Parking Lot

When: Friday, December 4, 2026

Time: 9:00 am – 1:00 pm

Through the efforts of many community members and organizations we have been able to uphold this amazing event. With your support, we can continue to put smiles on children's faces for another 24 plus years. Below are a list of sponsorship opportunities, no gift is too small.

P.S. The children truly appreciate this special day and go home with great memories, a full belly and a bag full of toys to enjoy. Most say “*this is the best day of my life, I wish I could stay longer.*”

With gratitude from all of us at the Northridge Hospital Foundation
